The screenshot shows the Diocese of Scranton Renweb interface. The left sidebar contains navigation options: School, Student, Student Home, Grades (highlighted in green), Homework, Lesson Plans, Attendance, Family, and Resources. The main content area shows the 'Student' profile for 'Addison'. Below the profile, there are two tabs: 'Gradebook Report' and 'Mid-Term Progress Report', with the latter being selected. A green arrow points to the 'Mid-Term Progress Report' tab. The 'Mid-Term Progress Report' section displays a table with columns for Class, Instructor, T1, T2, T3, T4, T5, T6, and Comment. The table lists various classes and their instructors.

6. If your child does not have a progress report, there will not be a grade. But remember progress reports are to make parents/guardians aware of how the child is doing in a particular class. Grades are always posted for classes on Renweb to check progress throughout the quarter.
